personal interactions are the single most effective way for teachers to understand and evaluate their student as learners responding specifically to new common core state standards in reading and writing this book introduces pre and inservice teachers to a method of one-on-one interaction the authors refer to as the stretch conference this book provides detailed practical advice on the logistics of implementing these conferences during the busy school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time the authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students' skills in comprehension and writing this resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills this book was written by two veteran teacher educators who conduct frequent workshops and professional development with teachers helps teachers adjust their instruction for the demands of common core standards and includes many detailed examples of effective conferences taken from real classrooms

is there too much emphasis on guided reading in primary classrooms it's a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence while maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading in more than guided reading Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom by changing the structure of the day

cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the strategies skills and understandings acquired in reader s workshop the focus lesson is the centerpiece of the workshop it is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time this thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups it will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum
